What is Broomfield FISH?

The mission of Broomfield FISH is to meet our neighbors’ basic human needs and provide them with hope and tools to rise out of poverty. We provide food, emergency assistance, and one-on-one mentoring support to Broomfield residents in need.

Why sign up to be a Broomfield FISH MVP?

- A fun way to give back to your community by helping to raise funds, food and awareness for Broomfield families in need. In our first year, the MVP’s collected over 4,200 pounds of food and $500 in cash donations.

- Represent Broomfield FISH in your middle school and assist with school food drives.

- Meetings and unique volunteer opportunities will be offered throughout the year but attendance is never mandatory.

- The commitment level is completely up to the volunteer so our members can participate as often as their schedules permit.

- Students can earn community service hours for their school or club.
